📍 Flat 402, Green Elite Apartment, Guntur, India

## EDUCATION

### Computer Science and Engineering

Indian Institute of Information Technology, Sri City

2017 – Present

CGPA 8.0

## PERSONAL PROJECTS

### Style My Way (Entire Front End)

- I designed and developed entire front end for an Fashion E commerce website which received an A grade

### Controlling Computer using Hand Gestures (IOT)

- I built an entire project in which user can control a computer using his hand gestures like we see in movies. User can use his hand as a computer mouse, play games, play/pause/volume up/down a video, Take a screenshot, etc.
- I combined the power of arduino and python to build this project

### FreeStock.com (Full Stack)

- Its a stock photography web app which I built using Django as a part of my 2nd year project.
- I lead the team and have done major part of the project (front end and backend)

## TECHNICAL SKILLS
